

# Out To Win

## Membership Form

Even today, standing for elected office as an out lesbian, gay, bisexual or transgender person can be challenging. Should you make reference to your gender or sexuality in your campaign? How should you respond if your opponents try to use it against you?

Launched at Lib Dem Conference in Bournemouth in September 2008, Out To Win is the peer networking organisation for lesbian, gay, bisexual and transgender Lib Dem candidates at every level - from Parish Council to the European Parliament.

You don't have to be a member of DELGA to join, though we welcome it if you are already or choose to join us. Obviously, you do have to be a member of the Liberal Democrats.
