

# DELGA LGBT Campaigning Resources

DELGA have produced a range of LGBT campaigning resources which are available for local parties to use, along with guides to help you get the most out of them! They're available for a suggested donation to DELGA.

## "Always Been There" Postcards

Our postcards highlight the party's record of action on LGBT equality since 1975, and Nick Clegg's personal commitment for the future.

The design of the postcard echoes the national Pink Press campaign in Pride Life, Gay Times and other publications. The rear contains text promoting the party and is designed to be posted, encouraging our supporters to spread the word. They can also be handed out to people or left in local LGBT venues.

## "Out To Win" Leaflets and "I'm Liberal" Stickers

These vibrant rainbow-coloured leaflets and stickers are designed for distribution at Pride events. The trifold leaflet has details of Lib Dem history, policy and practice, and includes quotes from many party figures. It includes a joint Lib Dem and DELGA membership form.

The stickers are 40mm diameter circles, featuring a golden Bird of Liberty on a rainbow background with the cheeky slogan "I'm Liberal". They have proved very popular at Pride events.

## Information Guides

Not sure of the best way to engage with your local LGBT community? Apprehensive about showing your support at Pride? DELGA have produced a short LGBT Community Campaigning guide to help you communicate our proud record on LGBT issues and target LGBT voters in your communities. Please include your membership number on the order form when ordering.

## Order Form
